

Blackmore Partners has launched a search for potential target companies to include in one of our acquisition projects. We are willing to pay those who aid and assist in the completion of a deal with a referral fee (typical range \$20k-\$150k), upon the conclusion of the deal. Furthermore, you can earn compensation by potentially consulting on the due diligence process.

Specifications	
Our Client	Is a large independent manufacturer of close tolerance precision machined steel parts that are used in high pressure fluid power applications.
Industries	Hydraulic system products, Engineered steel machined products, Actuators, fluid power, manufacturing, Couplings, ferrules, sockets, sleeves, inserts and stems manufacturing
