

Project Titan

BMP

Blackmore Partners has launched a search for potential target companies to include in one of our acquisition projects. We are willing to pay those who aid and assist in the completion of a deal with a referral fee (typical range \$20k-\$150k), upon the conclusion of the deal. Furthermore, you can earn compensation by potentially consulting on the due diligence process.

Specifications	
Our Client	Is a provider of integrated and engineered solutions for mission and safety critical applications in Aerospace, Defense, Energy, and Industrial markets.
Industries	Fabrication Manufacturing, Defense, Aerospace, Energy, and Spaceflight.
Location	United States.
EBITDA	No minimum requirement.
Revenue	\$20-40 Million
Focus	On welding, machining, and fabrication with system level integration. Should be highly engineered or complex.
Financial History	Looking for distressed companies. Trailing financial history is deemed necessary as start-up companies will not be considered.

If you have any information of a potential target, know someone we should reach out to, or have any questions please contact Zane Hendricks at:
